## Welcome at Beachrestaurant Paal 29 Schoorlaan Zee

Paal 29 is 53 years the business of the 'Bijl' family. The company is run by the third generation: sisters Lilian and Tiana. This location can only be reached by bicycle or on foot. So you probably came a long way to visit us. In the fall we move the complete restaurant and terrace away from the beach for it's safety. In the spring we move the complete restaurant back to the beach again.

Please take a seat, enjoy the view, your company and the beautiful nature around us. If you have any allergies, please let us know: we will try to serve an alternative. For we are in the 'middle of nowhere' it's not possible to offer open WiFi.

You can pay inside at the counter stating your table number
